# INTERNATIONAL CONFERENCE ON ELECTRICAL, ELECTRONIC, COMMUNICATION, AND CONTROL ENGINEERING

Johor Bahru, Malaysia

15-16 December 2021

The 5th International Conference on Electrical, Electronic, Communication and Control Engineering (ICEECC 2021) will be organized by the School of Electrical Engineering, Faculty of Engineering, Universiti Teknologi Malaysia, Johor Bahru on 15<sup>th</sup>-16<sup>th</sup> December 2021 at Johor Bahru, Malaysia. The idea of the conference is for the scientists, scholars, engineers and students from Universities all around the world as well as from industry, to present their ongoing research activities. This conference is also served as a good platform to foster research relationship between Universities and industries. ICEECC2021 provide opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations, and to find global partners for future collaboration.
